

Qantas Frequent Flyer

New benefits and changes in 2025

More Classic Reward seats

New and improved airline partnerships

More points earned on flights

New benefits

More points earned flying Qantas

Up to 25 per cent more points earned on domestic flights and the removal of the earn cap for tiered members travelling in premium cabins.

Reward seats starting from 5,700 points

The lowest Economy Reward seat in Australia on Jetstar short haul domestic routes.#

Up to 1 million more Classic Reward seats

Premium Economy seats with Finnair, Air France, KLM and Iberia for the first time and a new partnership with Hawaiian Airlines.

Additional changes

Increasing the number of points required for Classic Rewards and Classic Upgrades for the first time in six years and second time since 2004.

Increasing the cash component for Business and First Classic Reward seats to align with Classic Plus.

#Based on the lowest one way reward seat available in Australia today.
